

# ROHO® SIERRA™ GEL OVERLAY

## SKIN PROTECTION

Providing your customers with a variety of products is important. We are happy to offer the addition of the Sierra Gel Overlay to our support surface line. The Sierra, distributed by The ROHO Group, offers the comfort, protection and durability your clients need.

## SIMPLICITY

Incorporating a series of gel bladders encapsulated between a high-density polyurethane sculptured foam shell and support base creates a therapeutic and cost effective support surface.

## COST EFFECTIVE

The Sierra Gel Overlay is a Group One preventative support surface with HCPCS code E0185 that is a perfect addition to your range of products.

# SIERRA™ GEL OVERLAY

## SKIN PROTECTION.

Incorporating the best features and benefits of gel and foam, the Sierra Gel Overlay offers an optimal environment for skin protection. This Group I Support Surface overlay incorporates a series of gel bladders encapsulated between a high-density polyurethane sculptured foam shell and support base that creates a therapeutically advanced support surface for clients.

## SIMPLICITY.

The one-piece construction requires no assembly. Simply place the overlay on top of existing mattress and secure with the elastic corner straps.

## COST EFFECTIVE.

The Sierra Gel Overlay provides you with a cost effective support surface and is reimbursable via Medicare HCPCS code E0185.

## APPLICATIONS

### THE SIERRA GEL OVERLAY IS RECOMMENDED FOR CLIENTS WHO:

- are at risk for skin breakdown
- have limited mobility
- have compromised circulatory status
- have impaired nutritional status
- are incontinent

## SPECIFICATIONS

### INCLUDES:

Sierra Gel Overlay

### CONSTRUCTION:

High-density solid one-piece foam base foundation; high-density polyurethane foam topper; bladders contain a water-like, non-toxic gel solution; cover material is a soft nylon urethane coated, non-vapor permeable material. Components meet all fire safety and infection control standards.

### SIZE:

35" x 80" x 3" (89cm x 203cm x 8cm).

### WEIGHT:

46 lbs. (21 kg).

### WEIGHT LIMIT:

300 lbs. (136 kg).

### WARRANTY:

One year non-prorated warranty on manufacturer's material and workmanship.

### MEDICARE HCPCS BILLING CODE:

E0185.

## FEATURES & BENEFITS

### SIMPLICITY:

One-piece construction requires no assembly.

### WASHABLE:

Mattress cover can be easily cleaned with most disinfectant cleaners.

### SECURITY:

Strong elastic corner securing straps reduce overlay movement.

We highly recommend distribution through a certified rehab professional when ordering and fitting a ROHO Group product.
